Erin – Thanks for the update. It's looking like Nov 10th is going to work for the habitat technical meeting, and the morning of the 13th for the water quality meeting. If you could hold those open for now I'll get back to you with times ASAP. Thanks, C.

Hey Cassandra,
I just received a request for a doodle poll for Monday Nov 3rd to discuss the Delta Wetlands project with the Corps. I replied that I could meet from 8-9 AM or from 2-3 PM thinking that would leave the majority of the day open for BDCP meeting. Sorry to have to muck up the formerly open day.

So, 9 to 2 PM is open for me still on Nov. 3rd.
